Make a Window Poster or Shield

A great activity of science and fun for all ages and families.

Here's how:

Make a poster showing why you love Lake Simcoe,
or a shield showing why we need to protect the Lake.

Take a photo of your poster or shield, and post it on your Instagram, Twitter
and/or Facebook accounts, using the hashtag #LakeSimcoe, @rescuelakesimcoe,
#lakesimcoeliving and #lovelakesimcoechallenge.

Put your poster up in your window for your neighbours to see.

rescuelakesimcoe.org

In planning your poster, or shield, think of the following questions:

a) In what area of the Lake Simcoe watershed do you live?

Can you find it on this map?

<https://www.lsrca.on.ca/Shared%20Documents/Lake-Simcoe-Watershed-Map.pdf>

b) What do you know about animal and plant habitats around your area of the lake?

c) How do you use Lake Simcoe, or the creeks near it?

d) What is your favourite activity at or near the lake?

e) Why, and how, does Lake Simcoe need protecting?

f) Try to include answers to those questions in your poster or shield

We will find the photos and post them on our facebook page
and website. Some may be published in Lake Simcoe Living magazine.
